

Provost Public School Newsletter March 2022

PRINCIPAL'S MESSAGE

Thank you to our parents who were able to provide transportation on the cold days when the buses were unable to run. Even on inclement weather days, the school is open and learning does continue. Hopefully most of the cold weather is behind us now and we can look forward to the emergence of spring!

In February, we hosted our first Virtual Family Bingo Night. What a fun night and a great way to connect with families. At PPS, we understand the importance of creating belonging and want to thank everyone for joining us.

It is the time of year when students in grades 4-12 and parents who have children in grades 4, 7 or 10 will be asked to complete school surveys. By taking a moment to share your feedback, you help us to become an even better school.

Our Sr high basketball teams have now wrapped up their seasons and students are looking forward to starting badminton. The drama club has been busy preparing for their annual performance and band students are looking forward to celebrating their accomplishments during Music Festival.

DAILY SCREENING

The checklist has been UPDATED!

Parents should help their child complete this screening each day before coming to school. Please follow the AHS recommendations.

FOODS CLASS LOOKING FOR CONTAINERS

The Foods classes are looking for **donations of plastic containers with lids**. They are looking for disposable containers that students can take food home in and not have to worry about returning, including margarine, yogurt, sour cream, cottage cheese, Coolwhip or any other container in the 500ml or 750ml size. They must include a lid please! Now would be a great time to clean out your cupboards! Any donations can be brought to the Home Ec room.
