June 2023

Wow! May has been a very busy month for our Panther community. It was amazing to start our month by celebrating our 2023 graduates. We wish them all the best as they take the next steps in their journey.

May offered many learning opportunities for both students and staff. Our grade 9's partook in the Lakeland tour, and explored post-secondary options. On our BTPS school learning day, our staff continued to engage in learning pedagogy around literacy, numeracy, and assessment practices. Additionally, elementary teachers have continued to grow in their understandings of the new curriculum.

We are so proud of our Relay for Life committee who did an amazing job bringing our community together for such an important cause.

Elementary swimming lessons and grade 4-9 track events have been fun for students. We are looking forward to our K-3 Sports Day that will be taking place in June.

Wishing each and everyone of our families a safe summer! Mrs. Cook and Mrs. Brouwer
