

PROVOST PUBLIC SCHOOL

NEWSLETTER

November 2023

October has brought PPS some challenges. We are so proud of our students and staff. Despite these challenges, they have persevered, created belonging, and engaged in active learning. We are so grateful to the Town of Provost for providing a learning space and community-focused learning opportunities.

Elementary staff have been pulled together to create rich learning experiences within the classrooms, as well as the community. We have been grateful for the opportunity to access the town library, bowling alley, skating rink, and movie theatre.

Junior and senior high staff have continued to leverage high-level technology tools to engage and interact with students as they shifted to online learning.

We are grateful for the support of the STA school who graciously shared their spaces and gym time to allow our athletes to continue to engage in volleyball practices.

Our junior and senior high athletes have had much success as they played in tournaments and proceeded to finals and league playoffs. Well done, Panthers!

Wishing each of you a relaxing November break.

Mrs. Brouwer and Ms. Heim

Spotlight on PPS Staff

Meet our K-3 homeroom teachers. They collaborate to create rich learning experiences for our early learners.

November
