

PROVOST PUBLIC SCHOOL

NEWSLETTER

December 2023

As we begin the month of December, we have so much to celebrate at Provost Public School.

The volleyball season has come to an end. Congratulations to all of our junior and senior high athletes. They represented Provost Public School well by demonstrating positive sportsmanship. The basketball season is underway. Thank you to our staff and community coaches and managers. Their time and commitment is greatly appreciated.

In working towards our BTPS Education Plan, Provost Public School has been working on the outcome of preparing students for life after K-12. In November, students engaged in rich learning experiences and

discoveries, strengthening their understanding of Indigenous perspectives. We welcomed Goota Desmaris, a traditional Inuit Knowledge Keeper. Goota graciously shared her cultural teachings and traditional foods.

PPS was pleased to collaborate with rural communities and external partners as we hosted a post-secondary information night. A variety of post-secondary institutes were present to share information and provide opportunities for high school students to explore post-secondary options. Thank you to the Town of Provost for providing us with a space and all who were able to attend our event.

Wishing every family a safe holiday season.

Mrs. Brouwer and Ms. Heim
