Provost & District  
Chamber of Commerce  
It's Your Business

Dear graduates of 2024,

What an exciting time! The Provost & District Chamber of Commerce is eager to help graduates as they embark on their journeys in continued education- launching themselves toward a future in the workforce. Annually, a grant by way of \$250 is awarded to each of the schools within our district: Provost Public School, Saint Thomas Aquinas, and Hughenden Public School.

Being a district of business and agriculture, eligible students must show an interest in business management, community development, the trades, or agriculture. Candidates will have an opportunity to share their extra curricular interests, volunteer involvement, and early experiences with employment. This scholarship is intended for community minded students who have maintained a positive attitude toward success in their studies.

The selected candidates will be announced at each of the school graduation ceremonies, with the monetary portion to be released upon verification of post-secondary registration. Applications will be accepted until April 10, 2024 and final selections will be completed by April 26, 2024.

We look forward to reading your creative and thoughtful responses. Wishing you success and prosperity in all your future endeavours!
