

PROVOST PUBLIC SCHOOL

NEWSLETTER

May 2024

April has been a busy month. May and June will find us bringing one year to close and, at the same time, preparing for the upcoming school year.

Priority One of the BTPS Education Plan addresses our commitment to supporting students in demonstrating strong numeracy and literacy skills. In April, Our BTPS Innovation Coach worked with elementary and junior high Math teachers, implementing math manipulatives into math instruction.

Priority Two of the BTPS Education Plan highlights fostering safe and caring learning environments. This month we were thrilled to show our gratitude for the many people who supported PPS during the time of the fire that took place in our school.

It was wonderful to share a lunch together and be entertained by our PPS Band and Drama Club. The students enjoyed getting together in their cross-grade groupings to create posters of gratitude for all of our guests. Our Panther Pantry group also delivered treats to our staff to show appreciation for the work that they do.

This month, our grade 10 students will be visiting Try a Trade in Lloydminster and our grade 9 students will be partaking in the Lakeland Tour.

Congratulations to our badminton players. There was much success during the badminton season.
