Dear Students and Parents/Guardians,

The time has come to order the 2023-2024 yearbook. Our yearbook includes a hard cover and full color pages with lots of photos of activities in and around our school. The price of our yearbook has stayed the same at \$35.00 per book. Cheques can be made payable to Provost Public School and you can hand your orders into the office. **We will ONLY be ordering books for people that have pre-ordered.** In order to guarantee a book for yourself please send your order form and money back as soon as possible. The deadline for ordering is June 21, 2024. All yearbooks will be delivered to your child upon delivery.

We hope you enjoy our yearbook and appreciate your support.

Yours truly,
P.P.S. Yearbook Committee
