

PROVOST PUBLIC SCHOOL

NEWSLETTER

January 2025

Dear Families,
Welcome to the New Year!

We are excited to share the ongoing efforts of our BTPS Assurance Plan and Provost Public School Actions.

Priority One: Supporting Learning Success For All Students

Our Math 30-1 and 30-2 students had the valuable opportunity to participate in online Math Diploma Prep Sessions hosted by BTPS teachers. At PPS, we opened our doors for these evening sessions, allowing students to collaborate and work through the material together. It was truly impressive to see students supporting one another. As we begin high school final exams this week, please take note of the exam schedule and the upcoming Grade 12 preparatory sessions highlighted in this newsletter.

In early December, we were pleased to host an Information Night on off-campus programming, and we were thrilled by the turnout and positive feedback we received. We look forward to continuing to work together to provide enriching opportunities for our students.

January

- 6 First Day back
- 7 School Council Meeting 7:00 p.m.
- 15 SLAC Spirit Day – Jersey Day
- 23 SLAC Subway Sale
Grade 12 fruit order due

- 19 School wide assembly
- 20 SLAC Subway Sale
- 21 Farm Safety Presentation K-6
- 26 SLAC Spirit Day – Dress Up as Your Farvourite Teacher
Kindness Day

Priority Two: Fostering Safe and Caring Learning Environments

Over the past month, our SLAC (Student Leadership Advisory Council) has continued to lead our cross-grade lunches, which foster a strong sense of belonging among students from different grade levels. Additionally, Brylee Landmark and Ryan McGillivray, two exceptional student leaders, continue to work with grades 4-8, promoting a culture of inclusion and community.

We are also excited to announce that Ian Hill from The Changing Point will be visiting our school on January 16th and February 3rd. His work with students in grades 4-9 and high school will focus on how aligning thoughts, words, and actions can help unlock their full potential. Through engaging stories and practical tools, Ian will empower students to make consistent, purposeful choices that lead to success and have a lasting impact on their school, community, and beyond.

Priority Three: Building Strong Collaborations

We were thrilled to see so many of our families attend our annual Christmas Concert. A huge thank you to the students and teachers for their hard work in making the performance a memorable one. Additionally, we would like to extend our gratitude to our School Council for their dedication in getting our games room up and running again. This space has quickly become a hub of belonging for many of our students, and we are excited to see it being enjoyed.

Safety at PPS

The safety of our students, staff, and families is always our top priority. We continue to work closely with our Town Bylaw Officer to ensure safe practices for all when crossing and navigating the school area. Please continue to prioritize safe driving around the school, particularly during pick-up and drop-off times. Together, we can help ensure that our school remains a safe environment for everyone.
