NEWSLETTER

March 2025

Dear Families,

As we move into March, I want to take a moment to reflect on the incredible work happening at Provost Public School. Everything we do aligns with our Assurance Plan, ensuring we support student success, foster a safe and caring school community, and build strong collaborations.

Priority One: Supporting Learning Success for All Students

February was filled with excitement as we celebrated Literacy Month! Our entire school came together to promote a love of literacy through engaging activities such as school-wide Word of the Day, Author Spotlights, Readers Theatre Performances, Teacher "Tales", Literacy Quotes, Flash Fiction, Reading Bingo, Writing Challenges, Door Displays, and Dress-Up as Your Favorite Character days. It was inspiring to see students and staff immersed in the joy of reading and writing. The enthusiasm was contagious, and it's clear that literacy is thriving at Provost Public School!

Priority Two: Fostering Safe and Caring Learning Environments

On February 19th, we came together for our school-wide assembly, where we focused on active learning. Staff recognized students who showed outstanding engagement in their learning, and each recipient received a special certificate. To celebrate as a school, we all took part in a friendly competition of Literacy Jeopardy, bringing laughter, learning, and teamwork together in a fun and engaging way. Additionally, on February 21st, our Kindergarten to Grade 6 students participated in Farm Safety Presentations, reinforcing important lessons on staying safe in our rural community.

Priority Three: Building Strong Collaborations

Over the past month, we've actively sought student feedback on our four-year Education Plan. Their voices are essential in shaping the future of Provost Public School, and their insights on what is working well and where we can grow were incredibly valuable. This input will help guide our next steps at both the school and division level. We are grateful for their thoughtful contributions and commitment to making our school even better.

March always seems to fly by, and before we know it, spring will be here. With that comes the excitement of celebrating our Graduating Class of 2025. While it's bittersweet to see them preparing for their next chapter, we are incredibly proud of all they have accomplished.

Thank you for your continued support in making Provost Public School a place where all students can thrive. Here's to another great month ahead!

Mrs. Brouwer and MS. Heim

March

- 11 School council Meeting - 7:00 p.m.
- 12 Ski Trip for Grade 5 to 12 students.
- 13 Parent Teacher Interviews - 4:00 p.m. to 9:00 p.m.
