

PROVOST PUBLIC SCHOOL

NEWSLETTER

April 2025

Priority Two: Fostering Safe and Caring Learning Environments Creating a school culture of connection and support remains a priority. Student feedback has been overwhelmingly positive regarding our cross-grade activities, such as our weekly Treat Tuesday lunches, where older and younger students come together to share a meal and meaningful conversations.

We are also proud to support student leadership through the Heroes program. Two of our Grade 11 students are completing their training in this proven social-emotional program, which builds resilience in young people. Mrs. Brouwer is excited to complete this training alongside them and to integrate it into our student-led program, *Bee Somebody's Buddy*.

In alignment with our ongoing safety plans for Buffalo Trail Public Schools, we have made a slight adjustment to our front entrance procedures. When office staff are unable to monitor the front doors, they will remain locked. Signage will indicate whether the doors are locked, and visitors can use the doorbell for entry. We appreciate your patience as we implement this new measure to keep our school safe for everyone.

Priority Three: Building Strong Collaborations Partnerships between students, staff, and families continue to strengthen our school community. Parents, School Council members, and staff also contributed their perspectives through the Our School and Assurance Surveys. Your voices are valuable as we work together to enhance learning and school experiences for all.

SLAC led our students in fun and engaging Pi Day activities on March 13th, demonstrating the joy of math in action. Our Band and Athletics programs have also been thriving—congratulations to our Band students and Badminton players for their hard work and success this past month!

As we welcome new families, we are excited to host our Kindergarten Registration Night on April 10th. If you have any questions, please contact the school office—we look forward to meeting our newest students and their families!

At the same time, we are also preparing to celebrate our graduating class of 2025. Graduation planning is well underway, with the ceremony scheduled for May 24th. This milestone marks an exciting transition for our students, and we are honored to celebrate their achievements and next steps. Thank you for your ongoing support in making Provost Public School a place of excellence, belonging, and growth. Wishing you all a wonderful April!

Mrs. Brouwer and MS. Heim

Dear Families,

Spring is a season of renewal and growth, and at Provost Public School, we continue to build on our commitment to our Education plan. As we step into April, we want to take a moment to celebrate the incredible efforts of our students, staff, and families in making our school a vibrant place of learning and connection.

Priority One: Supporting Learning Success for All Students Over the past month, our students in Grades 4-12 participated in the Our School and Assurance Surveys. These surveys provide valuable insights that help us create a learning environment where every student feels seen, heard, and supported. Student voices are essential in guiding our decisions, and we are committed to fostering a culture that embraces perseverance, belonging, and active learning.

On March 14th, our teachers participated in Buffalo Trail Public Schools Learning Day. The morning was spent with Dr. Greg Wells, focusing on personal and system wellness, while the afternoon was dedicated to collaborative learning with colleagues across the division. This professional learning ensures that our teachers are continually growing in their instructional practices to better support our students.

We were also thrilled to welcome author Christy Jordan-Fenton to our school on March 20th and 21st. She led engaging Readers and Writers Workshops for students in Kindergarten through Grade 9, inspiring a love for storytelling and literacy.

April

- 1 School Council 7:00 p.m.
- 14 Spring Photos
- 15 Bunny Bingo - 6:30 pm at the PPS Gym
